Local base for competition:	

PLEASE NOTE THE FOLLOWING:

- No bank holiday weekends are available for competitions.
- Please check prior to the competition which sites are available. Some (e.g the Wrekin, Lan Fawr) are not suitable for large numbers of gliders; other sites may be unsuitable for other reasons.
- The competition organisers are responsible for paying parking and/or access fees to the farmer or landowner as currently agreed with the club – principally site fees at Bache, and parking fees at the Lawley. Please check the current situation with the club prior to the competition. Bache fees are £2 per person per day (excluding LMSC members who are in the comp).
- Parking can be a problem at the Mynd and at Corndon, and we would like organisers to minimise the number of vehicles. In the case of Corndon, it is absolutely essential that gliders and pilots are shuttled up, and that vehicles, other than shuttle vehicles, do not proceed beyond the second gate.
- Because of safety issues, meet directors must be available on site during the competition – i.e. they must not fly in the competition.
- To reduce overcrowding around launch at the Mynd, we strongly recommend that a first turnpoint is set along the ridge, away from launch (and also avoiding the model bowl to the north of launch).
- We will endeavour to make free flyers aware of the turn direction on each day at the Mynd.
- The payment will be refunded if the booking is cancelled more than 1 week before the competition date.
- We will provide you with a liaison/contact person during the competition.

Please make all cheques payable to Long Mynd Soaring Club. Please note that bookings will not be confirmed until payment has been received.
